

Freedom of Information – Response – 14391

Request:

- 1. Please provide the number of Watch Managers (Control) at the Suffolk Fire and Rescue Service.*
- 2. Please provide the names of all roles/grades senior to Watch Managers (Control) at both, along with the number of personnel at each role/grade.*

Response:

Suffolk Fire and Rescue Services (SFRS) no longer have their own control room and instead share a combined control with Cambridgeshire Fire. SFRS are not responsible for employing Watch Managers in control, this would be dealt with by Cambridgeshire Fire.
